-road race discussion, many still interested. BL to do a poll on the WAAG to gauge community interest/preferred season/and most importantly who will volunteer. Will create a committee to discuss future of road race. Talk was of moving it to fall with WB bbq, but that is for school only, the road race is open to public. Possibly June, with earlier time slot. More info to come as committee forms.

-mother-daughter tea moved to spring, perhaps to coincide with Mother's Day?

-a giving tree for holiday gifts was discussed, teachers to put a type of wishlist out there. BL to look into feasibility as we still have COVID restrictions with ppl in and out of school. BT to check with Father D to see if teachers can publish amazon wishlists (we do not use amazon smile due to PP connection, we will check to see if we are actively trying to avoid publicly using amazon in any way.

-parents night out discussed. Many present felt it very necessary based on so many new families and not knowing one another. Danna Lynch will look into cost of KoC hall, will check if Lewis' will still give room on Mondays free if we purchase food. Need some kind of activity to bring people together, trivia was a multiple idea.

-no news from treasurer, working on grants and budget finalizing.

-no news from volunteer coordinators – Halloween party signups created, already getting signups.

-enrichment – looking into grant to get Nutcracker tickets again this year. Deadline Friday.

-school news from BT – sad Mrs Noah is leaving, will divide up her many duties right now, see about replacement(s) as we navigate this time.
